

CHRISTIAN
BROTHERS
HIGH SCHOOL

It's WHERE *you* BELONG.

CORE PRINCIPLES

Faith in the Presence of God

We are Catholic in faith, Lasallian in tradition, and respectful of diverse religious beliefs. At CBHS, every prayer begins with, "Let us remember that we are in the Holy Presence of God," and ends with, "Live Jesus in our hearts...Forever!"

15 *different religions represented across our current student body*

Quality Education

We develop lifelong learners by example and through a rigorous curriculum focused on college and career readiness.

51 *Honors, Dual-Enrollment, and Advanced Placement courses*

Concern for the Poor & Social Justice

We inspire lasting values of service to others and strive to develop each student into a servant leader.

16,000+ *service hours completed by the Class of 2022 in their four years*

Respect for All Persons

We respect and honor the dignity of every individual.

53 *different zip codes our students call home*

Inclusive Community

We value diversity in all its forms and welcome boys of all backgrounds from across the tri-state area.

100+ *grade schools represented in our student body*

you can create it!*

STEMM ELECTIVES

Developed in partnership with Christian Brothers University and Project Lead the Way (PLTW), the STEMM Program engages students in a rigorous and innovative curriculum focusing on the areas of Science, Technology, Engineering, Mathematics, and Medicine. Project- and problem- based, students create, design, and build to solve real-world problems. They choose their electives from the following pathways each year: Aviation, Biomedical Science, Computer Science, and Engineering. No matter the course, they learn to collaborate more effectively and think outside of the box.

Men for Tomorrow

MARR
Department of Business

ELECTIVES

Our business department, transformed exponentially in recent years by a generous gift from alumnus Bill Marr '64, seeks to shape our young men into respected business leaders of tomorrow.

The skills learned in each business class (accounting, marketing, economics, and finance) are solidified through connections to and regular interactions with corporate and non-profit community partners. A student leaves Christian Brothers with the confidence to further his education in the business field, and he can rely on an established network of alumni and CBHS-affiliated business professionals for post-graduate job placement.

FINE ARTS ELECTIVES

Instrumental to an unparalleled student experience at Christian Brothers is our education in the disciplines of music (band and chorus), theatre, and visual arts. We pride ourselves on our enriched selection of opportunities for all students, regardless of previous experience or proficiency in any given area. Exceptionally competent in their crafts, our faculty are highly passionate about the educational and developmental dividends the arts pay in the lives of students. They find their lives more enriched, their school day more fulfilling, and their high school experience more personal and memorable.

THIS IS THE BROTHERHOOD

Christian Brothers High School is a community, inclusive of various religious, ethnic, and economic backgrounds, working together to achieve a shared mission steeped in Lasallian tradition: To give a human and Christian education to the young and to promote peace and justice, with a commitment to the service of the poor. In an atmosphere of academic excellence and in appreciation of individual differences, we inspire and direct individuals toward an increased understanding of themselves and their community. We encourage a personal sense of honor and self-discipline, service to others, a respect for all life, and growth toward a mature relationship with God.

As an all-male, Catholic high school, CBHS offers prospective students and families every opportunity you would expect of a larger high school, but on an intimate scale, where every student is valued and loved.

HERE, YOU ARE FAMILY

Where you come from is not what matters here. It's who you become. We are a family that supports and shepherds individualized and holistic growth. We are a network built to last a lifetime. We push one another to each achieve our greatest potential, and we give of ourselves to those in greatest need. It's within these walls, on our fields, and in each classroom that we discover who and *why* we are. What sets us apart is our unwavering brotherhood and the transformative experience that sense of community yields.

Christian Brothers is where you belong.

11,000+ alumni making their mark in the world

ACADEMICS

The world does not reside in the 90th percentile, and our students come from all walks of life, but we afford them each the opportunity to reach his fullest potential, ensuring he is challenged, but not overwhelmed or under-engaged. It's the Brothers' Way. Our socioeconomic and intellectual diversity is a real asset for our boys as they prepare for life beyond school. With the understanding that our students have enrolled from more than 90 different schools and thus begin from different bases of knowledge, our efforts center on maximizing individual student growth.

In the past 5 years, 11 students have been named National Merit finalists, 29 have been commended for their PSAT scores, and 13 have achieved a perfect ACT score.

- Calculus BC
- Statistics
- Biology
- Chemistry
- Physics

STUDENT SUPPORT

In addition to college counseling, CBHS counselors are available to support students in addressing academic, personal, and social-emotional issues, as well as anything that affects the student and his ability to achieve his fullest potential. Our support staff includes a learning specialist, six counselors, and a robust Peer Tutoring program. There are no cookie cutter solutions here. We meet each student where he is, challenge him to be the best he can be, and give him the tools necessary to get there!

COLLEGE PREP

College preparation begins as soon as a young man enters CBHS. He is counseled every year to take challenging curriculum that will provide him with the base for any college and career plans he may want to pursue. Throughout his career, each student and his family are provided multiple informational sessions to investigate any college or career options they desire to ultimately find the best fit for post-secondary plans. Furthermore, our young men and their families receive a return on investment that makes it affordable. Most importantly, they have an experience that prepares them for the real world.

DE LA SALLE SCHOLARS

The honors program at CBHS gathers a community of the most gifted and dedicated students to hold each other to the highest standards of academic achievement and leadership. The De La Salle Scholars are a group of boys bound together with common goals of serving the community and supporting one another in achieving extraordinary academic accomplishments. Members of this program will have the opportunity to take a wide range of AP and collegiate dual-enrollment classes throughout their four years. Our Class of 2021 De La Salle Scholars averaged a 33 score on their ACT.

35 different sports opportunities offered

65% of our student body participate in sports

190 multi-sport student-athletes

ATHLETICS

Christian Brothers is a member of the TSSAA Division II, which consists of sixteen schools throughout the state of Tennessee. Our student-athletes strive for excellence in their sports. At the same time, they work diligently to fulfill their potential in the classroom and to be leaders within our campus community.

STATE CHAMPIONSHIP APPEARANCES

Raise the banner! Christian Brothers has won more baseball (13) and soccer (12) state championships than any other school in Tennessee. We are also proud of our legacy across all sports having made 53 state championship appearances across all programs in the school's history.

In the past year alone, our basketball, rugby, and track programs have earned state championship titles, and the wrestling program boasted 2 individual state champions.

MISSION AND MINISTRY

Lasallian educators have been transforming the lives of students for more than 300 years! In the tradition of St. John Baptist de La Salle, we believe in a holistic, student-centered approach to education based on Catholic values and personal relationships. De La Salle's vision of a complete education included a person's body, mind, and spirit.

At CBHS, *Brothers In Christ*, our student ministry team, helps plan, organize, create, and execute campus ministry events including masses, class retreats for peer- and self-reflection, and interfaith prayer services.

Our Lasallian Youth organization is part of a worldwide network that promotes a spirit of faith, service, community, and social justice on campus and in the broader community.

Cultural immersion opportunities are offered annually as part of Mission and Ministry as well as our fine arts and foreign language programs.

LEADERSHIP AND ADVISORIES

The Brothers Leadership Council (BLC) is our governing student body and a key driver of Christian Brothers' active and engaging student life. Its most unique feature is the advisory structure and corresponding house system through which our students build meaningful relationships with one another and our faculty. The advisory structure is divided into ten houses, each made up of freshmen, sophomores, juniors, and seniors, fostering mentor relationships and brotherhood across classes. Even our school's parents association is organized by house to provide opportunities for our parents to become more involved with their sons at CBHS.
