

Greetings fellow Lasallians,

This year, our Region will celebrate the 11th annual Spring into Action initiative from **March 15 – April 15, 2022**. Spring into Action, sponsored by the Regional Council of Young Lasallians, is an initiative that highlights the service done by Lasallians throughout the academic year.

Given the ongoing impact of COVID-19, we know Lasallians continue to respond to the signs of the times and keep service at the heart of who we are and what we do. During this year's Spring into Action, we will highlight some of the remarkable service opportunities that speak to our shared mission.

Be sure to like and follow our social media accounts to see ministry spotlights and engage in service-oriented dialogue. In addition, we would love to hear how your ministry has adapted its forms of service given the realities present today. We invite you to post about your service experiences on social media using #SpringintoAction2022 and tag us using the following handles:

- Twitter: @yl_relan
- Facebook: Young LasalliansRelan
- Instagram: @yl_relan

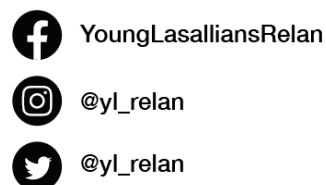

This year, we will provide resources and tools to support your ministry's participation in Spring into Action, including a special prayer service to celebrate the beginning of the initiative. We invite you to use this prayer service with your students, clients and colleagues during the week of **March 21–25**. Take a picture or short video of your ministry using the prayer service and post on social media using #SpringintoAction2022. All resources are available on www.Lasallian.info.
